President's Message, Term 4 2020

Welcome to Term 4. I hope you have enjoyed your Term 3 classes.

As a result of the survey from our tutors and members we will not be reopening the Adelaide and Creek Street buildings in Term 4. The majority of tutors indicated that they would not return to face-to-face classes this year.

Our online classes will continue. There are many to choose from. You can study literature, history, art, science, languages etc. I always have difficulty limiting my choice. So much to learn - so little time.

However, we have devised some COVID Safe plans for indoor and outdoor classes for our Districts. Some classes that normally run in our city classrooms have elected to become District classes for Term 4 to take advantage of this opportunity. These have included photography and art classes to date but others may follow. Be sure to check city classes carefully as some that have not been available may now be open for enrolments.

We have been guided by the government rules in the creation of these plans and the current plans have been approved by our Medical Advisory Group. I realise that they will be quite strict and the classes that many of you enjoy such as cards, mahjong, dancing, singing will not be allowed under these plans but the health and in some cases even the survival of our members is at the forefront of our minds. The rising death toll of people in Victoria in our demographic has reminded us daily of the risk. We are lucky that there are many other options available to us. The COVID Safe plans are now available on our website. Every Member who wishes to enrol in a District class should read these.

We need to remember that the restrictions that we are living with may be in place for some time and we need to learn how we can make the most of the opportunities available to us. I have very much enjoyed the classes I have done in Term 3 and look forward to continuing them in Term 4. I hope you too will take advantage of the many classes our wonderful creative tutors have devised for you.

Please look through the classes available. Remember you can enrol online and if you are unsure about using the required technologies for a particular class, then ask for help and we will guide and support you.

Des Taylor
President

ENROL NOW TO KEEP CLASSES ACTIVE

All U3A Brisbane face-to-face classes have been suspended since Monday March 16 and we do not intend to reopen our two City Campus venues in Term 4. Some district classes will resume face-to-face classes in Term 4 and these are highlighted in the enclosed schedule. Classes that resume are required to strictly adhere to our COVID Safe plans as published on our website home page.

In the meantime, it is important that members enrol for Term 4 classes as normal. Tutors can also roll over class members from Term 3 into Term 4.

This will enable tutors to send Term 4 class material and Zoom meeting invitations to class members once Term 4 starts on 6th October.

It is important that we all maintain our contacts and interests as far as possible at a time when we are adopting physical distancing measures.

We hope you all stay safe during this difficult period and that U3A is able to resume normal operations in the not too distant future. Questions about the situation may be sent to the email address below.

Remember: Enrol in Term 4 classes as normal.

Feedback

If you have any questions or comments about U3A in the current situation, please email to:

Membership Renewals

Membership renewals for 2021 are now payable, and are still only \$40 per annum.

Paying online is a great help in streamlining our administration. Our online payment system has been in operation for seven years and is safe, secure and convenient. Just go to our website www.u3abrisbane.org.au and click on *Membership Renewal* on the lower menu. You will be asked for your membership number, surname and credit card number.

No password is required for this purpose. You can use only Visa or Mastercard as we cannot accept American Express for online payments. **If you have a PayPal account you can also pay by PayPal.** There is also an option to pay by Bank Transfer, whereby you will be provided with our account details.

Although the office is unattended at present, we have an alternative phone number if you wish to contact the office: **0479 146 843**.

If you know of anyone interested in joining U3A Brisbane, they can join now and their membership will be current to end of 2021.

Class Enrolment Procedure

Members can enrol in a Term 4 class in one of three ways:

Use *Class Search* on the website to find your class, then click the *Enrol* button to submit your enrolment application to the tutor.

OR

If you wish to continue in a class in which you were enrolled in Term 2, use *Member Dashboard* on the website to re-enrol.

OR

Contact the tutor directly by email or phone. Please advise the tutor of your membership number.

New QR Code System

Under COVID Safe rules, U3A Brisbane is required to keep accurate records of attendances at face-to-face meetings in case health authorities need it for contact tracing purposes. We are asking **members who attend face-to-face classes in Term 4** to assist tutors by recording their own attendance in a contactless way.

Here's how it works:

1. Tutors of face-to-face will be provided with a sheet containing a QR Code (see below) specific for their class.
2. On entry to the class each week, members will be asked to scan the code with their mobile phone. Our app will then ask you to enter your member number and surname. Your attendance will then be entered into the class roll on the U3A system.
3. If a fellow class member has no phone, you can assist them by entering their details on your phone.

QR Codes are becoming more common in cafes, restaurants and other public places as a means of recording your presence there in a contactless way. You simply point your phone camera at the code and it should show a link to our site. Touch that link and it will take you to our app. Some phones may not have this facility built-in and in this case you will need to download a QR Scan app from the phone's app store. More information on recommended apps will be provided before Term 4 starts.

The code below can be used to test your phone or other device. It should return a green tick:

Tutors:

If you are running a face-to-face class in Term 4 we will provide more information to you in the coming weeks.

Contact:

help@u3abrisbane.org.au
if you have any questions.

Class Schedule for Term 4 - 2020

Term Dates:

Term 3 ends on Friday 18th September. Term 4 starts on Tuesday 6th October and finishes on Friday 11th December. **Even though most face-to-face classes are suspended, please enrol as normal for Term 4 as tutors will continue to provide learning resources and run online classes.**

Inactive Classes

Inactive classes are **not shown** in this schedule. These are classes where the tutor intends to restart when U3A venues reopen. Although these classes are not listed here, they are shown on the website under *Class Search* but are highlighted with an orange bar.

Zoom Classes

These classes are being conducted online as videoconference sessions using Zoom software. If you have not enrolled in a Zoom class before, you are encouraged to do so. It is not difficult as a participant since you only have to click on a link sent by the tutor prior to the session.

Face-to-face classes

Some district classes are running face-to-face in Term 4. These are identified in the schedule in **bold green type**.

Class Fees

To attend any classes, you must be a current financial member of U3A Brisbane (\$40 per year). Voluntary contributions in lieu of class fees are most welcome and appreciated.

Class Enrolments

You can enrol in a class using *Class Search* on the U3A website, or by contacting the tutor directly. To re-enrol in an existing class, you may use the *Member Dashboard*. If you enrol online you may assume that your enrolment is accepted unless the tutor advises otherwise. If you subsequently find that you cannot attend the course, please advise the tutor so that your place may be offered to another member.

H10 TWO HEROINES IN THE BIBLE: RUTH & ESTHER

NEW

Zoom class

Raymond Sarlin 0491 124 666

Email: ray.sarlin@ymail.com

The books of Ruth and Esther recount two of the most memorable stories in all of Scripture. Ruth is a childless displaced Gentile widow in search of a new home in the heart of Judaism, Bethlehem. By contrast, Esther is a virtuous Jewish orphan living in Susa (Shushan), then the capital of the world-ruling Persian Empire. Both books are presented in the Bible as history, and both, but especially Esther, are well attested by secular historians and archaeology. Surprisingly, neither is religious, but both are read annually at different festivals by observant Jews and the irony doesn't stop there.

So: "2 child run past yesterday", not "2 children ran past yesterday". Thai language is tonal, like Chinese, but it has an alphabet, unlike Chinese, because of the influence of India. There are levels of language in Thai, more than in English, but in this beginners course, we will focus on common spoken Thai. The textbook: Thai for Beginners, can be bought on Amazon.com for about AUD30 including postage. The Zoom class will be at 7pm Tuesdays, not Mondays.

This non-religious course applies the integrated nature of the text to enable members to learn to unlock difficult passages for themselves by using the Bible to interpret the Bible. Each week we examine one or more books, chapters or passages in detail. Members may nominate topics; no part of the Bible is off limits. Suitable for new and continuing members.

CLASS IS FULL. This class covers the full range of humankind's achievements and missteps from 3,500 BC to 1914 AD, but is not strictly limited by those dates. Our approach is to offer a co-operative enquiry into the past by encouraging class members to research their chosen subjects and to present PowerPoint presentations of material which interests them. These talks and other topics are then open for discussion during our sister class H15 "History Review" which follows immediately after. This format allows for a full sweep of the highlighted topics plus relevant ideas.
