

U3A  
E Newsletter  
April 2011  
97 Creek St  
Brisbane

Many members will have become aware that U3A Brisbane Inc was contemplating moving back to the CBD. At the Annual General Meeting held Wednesday April 6th 2011, the former President confirmed the rumors and announced that we were to move to 97 Creek St in Term 3.

The above picture shows our new home where we will be occupying the ground floor (left side facing the building). It is an attractive site and situated between Queen & Adelaide Sts, close to the Central Station, a short walk through the tunnel accessed from Anzac Square. The buses run down and up Adelaide St and there are free busses travelling from West End and looping through the City. Think... No more hill!!

A presentation given by Ray Bricknell at the AGM will be available on the web site in approximately 10 days time. This will give very comprehensive information on the terms and conditions of our occupation of this building. These conditions are very favorable and include the possibility of purchasing the space.

The newsletter for Term 2 will be posted on Monday 11th April 2011. **There are a number of members who have not yet renewed their membership and will not receive a newsletter. Would you please check your records and see if you need to upgrade your details and renew your membership?** We are sure the premises in Creek St will suit most people. While there are no promises U3A will in due course speak to the Council regarding a put down pick up area in front of 97 Creek St for those who use taxis/family/friends.

The new Committee is as follows: Alan Biggs **President**, Greg Williamson **Secretary**, Judith Talbot **Treasurer**, Ray Bricknell **Immediate Past President**, Kay Andersen, Rob Hill, Greg Doolan, Ian Lipke, David Truman **Committee**.

Our thanks to all these members for volunteering their time and expertise.

Helen Dubois, Editor.
