Office Staff:

Office Manager Penny Teiniker

Some of the office staff who attended a recent meeting with the President, Alan Biggs, Ian Lipke and David Gemmell. Penny supplied some delicious food to make up for missed lunches.

Penny, David Gemmell and Lorraine Kenealy have put in endless hours of work redoing the data base of all members so that all the records are correct. The work is still in progress but hopefully nearing completion. It has been a monumental task and the patience of these three people has been commendable. Thank you very much.

Both Penny and Christopher Greenacre are always seeking the help of willing helpers for both the Office and the Reception Desk and this area will be important when we move to 97 Creek St. Give them a call if you are able to assist; ring the Office on 3846 3600; or send an email to u3abrisbane@pacific.net.au.
