December 2011

2011 has just passed so quickly following the dreadful days of January when so many of our members were left bereft after the floods and Queensland looked on in disbelief at the havoc wreaked by cyclones and extensive floods. There have been many good times as well. The Open Day and the book launch from which we gained many new members. The move to from South Bank to 97 Creek St has been a positive as many members feel very much at home in the City. While there have been some changes to classes most people seem to be happy in their new home.

Christmas Party

The 2011 Christmas Party held on 24th November at Chifley at Lennons went well and those who attended enjoyed the speakers and the food. There were a number of members who arranged to book a class table and that seems to have worked very well. We will hold the 2012 Christmas party at the same venue at around the same date so start saving for the party and organise your class to go along with you. Thanks to all who came along and supported their organization and thanks to those committee members and friends who are always helpful when needed.
