# U3A AGM 2012

On **Wednesday April 4th 2012 at 10 am** at 97 Creek St the AGM will be held. Everyone is very welcome and we are hoping for a really good turnout as it is a great time to meet the Management Committee and you will hear about the plans for your organisation. Our Guest Speaker is **Madonna King** who is a journalist, broadcaster and author. Madonna worked for 6 years as the morning presenter at 612 ABC and interviewed many interesting people among whom were a number of politicians. In keeping with the current climate of great change following Saturday's election Madonna will give us an insight into the public and private persona of some of the people she has interviewed over the years. Madonna was on one of the panels commenting on the election on Saturday night. It should be a very interesting morning. There will be morning Tea after the meeting. Do come to the AGM and will you call the office on **3236 3055** to register your intention to attend.

**Term2 Class Schedule/Newsletter** The Class Schedule was posted this morning to those members who indicated that they required the booklet. If you do not get a copy by Thursday and you are a financial member please ring the office and ask for a copy to be posted to you. The office will be open over the break between 9:00am and 12noon. The U3A web page is excellent and you will find the class schedule there in an easily readable form or you can down load it and print it out.

Happy Easter to you all. Enjoy the break. See you at the AGM
